

Knit Faster with Combination Knitting homework

Please make two swatches with live stitches ready to go in class.

With class yarn and appropriate needles, cast on 24 stitches and work back and forth a few rows to establish stockinette fabric (RS knit, WS purl).

With class yarn and appropriate needles for working in the round, cast on an even number of stitches and establish a few rounds of 1×1 ribbing.

(My second swatch is only 24 stitches in the round on a magic loop. Cast on more stitches if it is easier for you.)

Questions? Please e-mail me at jolieae@yahoo.com.
