Asa Schiller, SPC
632 Spokane Ave.
Albany, CA 94706

Dear Mr. Schiller:

It is my great pleasure to offer you, on behalf of the Committee on Professional Certification, hearty congratulations on the successful completion of the examination for the Service Playing Certificate.

You will find enclosed the grade sheet representing the averaged grades of the two examiners and their comment sheets.

After the certificates have been inscribed by the calligrapher, and the signatures of the President and Secretary are obtained, the certificate will then be mailed directly to you.

Should you desire that someone be informed of your achievement, please notify Executive Assistant Eric Birk at AGO National Headquarters, and a letter of commendation will be sent.

It is our hope that, after further preparation, you will consider the next level of certification and continue to be active in the certification program in your region.

Again, congratulations, and all best wishes for the future

Sincerely,

Vincent Carr, MM, FRCO, ChM, Director
Committee on Professional Certification
Councillor for Education
