To whom it may concern:

Daniela Goel has been a teacher on Verbling since January 9, 2019. Verbling is an online platform where language learners can take lessons with professional teachers. Verbling is incorporated and based in San Francisco, CA, USA, and any and all work done for the company by Daniela Goel is carried out remotely (online). Our in-house staff vets every application from prospective teachers. Only those teachers who meet rigorous standards are accepted, ensuring high instruction quality for our learners. Daniela Goel without a doubt, has exceeded our already high expectations.

Since January 9, 2019 and at the time of writing this letter, Daniela Goel has taught 209 hours on Verbling. One hour of teaching time on Verbling is equal to 60 minutes. This letter serves as a written confirmation that Daniela Goel is currently teaching online on Verbling as a teacher in good standing.

Please, do not hesitate to contact me should you have any questions or concerns.
