Work Experience

(Volunteer) - George B. Thomas Learning Academy

October 2017 - May 2018 REFERENCE: Meghan Ware 443-847-4914
meghan_ware@mcpsmd.org

I served as a **Teaching Assistant/Tutor** at the George B. Thomas Learning Academy for elementary aged children. The Academy supplements and reinforces, the Montgomery County Maryland school curriculum. I assisted the instructor by ensuring that the student understand the material being taught by spot checking their work and providing assistance, working with the students in small groups and/or tutoring individually.

Counselor at Black Rock Center for the Arts Camp (Summer 2018)

Volunteered as a camp assistant Broadway musical camp in which I helped with the backdrops for the musicals and helped the kids with their various activities throughout the day such as singing, artwork, choreography, etc.

Black Rock Center for the Arts - Concert Series Volunteer - Summer 2018

Assisted with the front desk in order to respond to questions from guests attending music/arts and events and classes.

Child Care Provider June 2014 - August 2017

I served as a child care provider with responsibility for overseeing the children and their activities, meal and/or snack preparation; and entertaining the children with constructive activities such as reading books, art projects, telling stories, singing and playing games.

Black Rock Center For The Arts Camp Counselor (Summer 2019)

I watched over and lead a group of kids to prep for their musicals. Helped to keep the kids engaged throughout the day by coming up with various fun activities to keep them energized and help with their acting and singing skills for their parts in the musicals.

Bach To Rock Summer Rock Band Teacher (Summer 2019)

I taught groups of 3-6 kids to play instruments for preparation of their performance the same week in which they were allowed to perform 2-4 songs on a stage outside of the camp at a Lakefront. I helped the kids in learning their instrument parts and showed them how to play together with one another as a rock band and the importance of staying on time, listening to each other, feeling the music, etc.

Student Services Writing Center Tutor (2018-2019)

At the Love Library in San Diego State University, I helped students edit their essays for various English classes. I would suggest how to make their arguments or counter arguments better and how to make their essays flow a little better. This was a good experience in teaching peers my own or around my own age. I learned a lot about how different students study or prepare for large assignments due.

Bach to Rock School Music Teacher (Summer 2020-Present)

I teach students aged from as young as 5 to as old as 18 to play guitar and piano. In addition, I also teach voice lessons to the students as well. Due to covid-19, most of my lessons are done in the mid to late evenings on Zoom and occasionally I go into the physical school building to teach lessons with covid-19 precautions in place like physical dividers, masks, and frequent handwashing. As a teacher, I strive for students to learn in the most fun and engaging way possible.
