

TRUMPET METHOD BOOKS

The Methods/Etudes and Solo sections of this document are a starting place for my trumpet students. These can be used several years, and will be selected for the appropriate level and interest of the student. Other material at the appropriate level can also be substituted based on the goals of the student.

MAINTENANCE

- Hetman Light Piston Oil (Lubricant 1)- My oil of choice. Note: This is synthetic oil and should not be combined with regular oil. Synthetic oil lasts longer and keep valves in better health.
